

Declaration of Compliance

EU REACH regulation 1907/2006

This Declaration of Compliance applies to products manufactured by ELPRO technologies Pty Ltd. A list of products covered by this declaration is included as an appendix at the end of this document.

We, ELPRO Technologies Pty. Ltd., hereby certify that the industrial control products manufactured by us, as listed in the appendix to this document, fully comply with the relevant requirements of European Union Regulation (EC) 1907/2006 concerning the Registration, Evaluation, Authorisation, and Restriction of Chemicals (REACH).

ELPRO is a manufacturer of "ARTICLES" to our EU customers. We do not manufacture "substances" or "preparations" and our articles do not involve the "intentional release of substances". As such, the relevant articles are Article 7, Article 33, and Article 67 of the REACH regulation.

- **Article 7: Registration and notification of substances in articles**
We declare that our exports consist less than 1 tonne of any product to the EU annually, and that the articles do not involve the "intentional release of substances". Accordingly, there is no registration, pre-registration or authorization requirement under Article 7 of the regulation.
- **Article 33: Duty to communicate information on substances in articles**
We declare that none of the SVHCs (as published by the ECHA in accordance with Article 59(10) of the REACH regulation on 07/07/2017) are present in our products or packaging (articles) at concentrations of 0.1% or higher. Accordingly, there is no requirement to provide additional information to the supplier, or to the consumer regarding safe use of the articles.
- **Article 67: General Provisions**
This article deals with dangerous substances as listed in the Annex XVII of the document. We declare that none of the substances identified in Annex XVII of the regulation are present in our products, and that all restrictions mentioned in Annex XVII are complied with.
